

What is IMPACT 2021?

June 9-11, 2021, SFM sponsors an event for middle school and high school youth called IMPACT. This event provides an opportunity for youth from all over the south ATL metro area to participate in community service.

Square Foot Ministry offers a missions opportunity specifically designed to help young people discover what it means to be part of the body of Christ. As participants in IMPACT they are able to help needy people in a unique way.

Community service is performed on Wednesday, Thursday, and Friday. On Friday, afternoon, we have a celebration event in the community where we are working.

To volunteer as an adult leader, or to find more information on how your child or group can participate, go to our website – www.squarefootministry.org.
